ABOUT THIS APP

clipping pipeline is a private desktop tool used only by the owner of the YouTube channel brokeTurboClips (https://www.youtube.com/@brokeTurboClips) to upload educational videos to that channel. It runs on the owner's own computer and is not offered to, sold to, or used by anyone else.

YOUTUBE API SERVICES

This app uses YouTube API Services. By using it, you agree to be bound by the YouTube Terms of Service: https://www.youtube.com/t/terms

Google's Privacy Policy applies to data handled by Google: https://policies.google.com/privacy

WHAT DATA THE APP ACCESSES

The app requests only one permission: uploading videos to the signed-in user's YouTube channel (scope youtube.upload).

It uploads only videos created and approved by the channel owner, together with their title and description.

It does not read, collect or store any other YouTube data: no viewer data, no comments, no analytics, no data about other channels or users.

HOW DATA IS STORED AND SHARED

The Google sign-in token is stored only on the owner's own computer, in a local file. It is never sent anywhere except to Google to authorise uploads.

No personal data is collected, sold, shared with third parties, or used for advertising.

No cookies or tracking are used by this app.

TERMS OF USE

clipping pipeline is a personal tool, not a product or service, and is not offered to anyone other than its owner. It may only be used to upload the owner's own videos to the owner's own channel, in accordance with the YouTube Terms of Service (https://www.youtube.com/t/terms) and the YouTube API Services Terms of Service and Developer Policies. Videos are uploaded as private and reviewed by the owner before publication. The tool is provided as is, without warranty. These terms may be updated on this page.
